

Prayer Enrollment Cards

If you would like to have friends or relatives, either living or deceased, or even yourself, remembered for a year in the daily prayers of SSMI, ask us for Prayer Enrollment Cards.

There are two parts. The Holy Card is given to the intention or their survivors. You then send back the provided card stating the name of the intention. Our community will remember the enrolled intention in our daily prayers and services for one year.

A legacy of prayer – Tenderly-maintained books, kept in our chapels in Sloatsburg, list those in our SSMI Prayer Enrollment since its inception.

Prayer enrollment intentions are remembered in daily Divine Liturgy and communal prayer when we pray for our benefactors, friends, family, and especially those who most need our prayers. We also remember those on our prayer enrollment lists during special holy hours and devotions.

SSMI does not forget our benefactors, friends, family, and special intentions!
